## Editor's Insight

I am at a loss for something to write about. The next couple of months will be rather slow with no meeting room. We have already had the September meeting. We were at our new location at Findlay Chevrolet. It is a great room and everyone seemed to enjoy the evening. All the folks at Findlay are super great.

On October the 16th (Saturday) there has been an outing scheduled for the Imperial Palace Auto Museum. Everyone is meeting in the lobby of the museum at 1:00 pm. If anyone is interested some of the members are meeting at 11:30 at the Denny's on the strip. We hope to see everyone there. If you have not signed up for the outing let us know on the contact page that you would like to join us.

I hope everyone has a great month.

Ann

## **THE VICE PRESIDENT'S NEWS**

Well here, I am filling in for Our President Rich Cummings. Unfortunately, he had to work on our first meeting night at our new location at Findley Chevrolet.

This new room is just what the doctor ordered for our meeting. I would like to thank Doug & his associates for helping us get this great room.

There were two quest at our meeting both who have been to previous meetings. They are Ray Chadwick & Don Hayes. We are going to sway them from the Dark Side. (Ha! Ha! Ha!)

The 25-T Project we have going with the SDMCC is coming along nicely. I want to give a special thanks to Skip Samples and his club for including us in there challenge.

Thanks to everyone who attended the meeting. I hope everyone who missed this month's will make the next one at the new location. Keep on Building!

Phillip Canepa - AKA Frankendremel

## PHOTOS

Here are some photos from our August meeting. Photo's by Rich & Tyler Cummings

Bob Testolin recieved his gift card & certificate for winning the July club challenge - Unfinished Projects. Way to go Bob!!

Brad Greenberg brought in a custom hot rod which is really nice. The trophies were also done by Brad and look really great. Nice job Brad.

Mike McCullough brought in this nicely done Camaro funny car. The detail is nicely done, great work Mike.

The winner of the August Mystery Box was John Oszejca. The surprise inside was the Ice T custom rod. I can't wait to see how it looks done. About how long do you think this will take you John?
